

Hayes Brake Controller Company, LLC purchases the electric trailer brake controller business of Hayes Lemmerz International Incorporated

On Monday, October 17, 2005 the Hayes Brake Controller Company, LLC purchased the electric trailer brake controller business of Hayes Lemmerz International Incorporated. We are excited about this purchase and anxious to put our 50+ years of brake controller design, development, and production experience to the task of providing increasing value to you and the trailer market.

The Hayes Brake Controller Company will only do one thing - provide the safest, most reliable and best value brake controllers and accessories. All of the brake controllers you have purchased in the past; Genesis®, Endeavor™, Engage®, Energizer III®, Energizer XPC®, and Synchronizer® will remain available under the Hayes Brake Controller Company name.

Our customer service team is here to provide fast, friendly and reliable service on all customer issues.

Customer Service	Polly McClendon	800.882.1204
Sales	Karen Arnold	313.715.3716

Please note that orders need to be faxed to: 256.586.6078

The current price sheet and specials deals will continue to be honored.

Thanks for your past support of this great product line. We look forward to meeting and working with you. The Hayes Brake Controller Company LLC is wholly owned by Syncro Corporation, Arab, Alabama.

Sincerely,

Ed Childress
President
